

## **DATA PROTECTION POLICY for the**

EGI Advanced Computing for EOSC (EGI-ACE) Project for developing the ENES DATA SPACE delivers an open, scalable and cloud-enabled data science environment for climate data analysis on top of the EOSC Compute Platform service. It will provide both storage and computational capabilities.

CMCC Foundation is totally compliant with EC Data Protection Directive (EC Directive 95/46), GDPR 679/2016, the Italian Personal Data Protection Code Legislative Decree no. 196 of 30 June 2003 and the Italian DL. 101/2018. It must point out that CMCC has appointed an external Privacy Data Manager because it is not required to appoint a DPO putting up of less than 250 employees.

### *(1) NATURE OF PERSONAL DATA:*

Fondazione CMCC for developing the service will display personal data as name, surname, e-mail address and will processing username provided by EGI servers during the lifetime of the Project.

The personal data do not belong to special categories of Data.

### *(2) PURPOSES OF PROCESSING:*

Fondazione CMCC will display personal data for the purposes of the H2020 (H2020-INFRAEOSC-2018-2020) and in particular for developing the ENES DATA SPACE, as required in the proposal Project: EGI-ACE proposal PartB\_1-3 (Pag. 47, T5.2 Climate research).

The processing of the username is necessary for scientific research purposes in accordance with Article 89 (1) based on Union or Member State law which shall be proportionate to the aim pursued, respect the essence of the right to data protection and provide for suitable and specific measures to safeguard the fundamental rights and the interests of the data subjects.

Particularly, Fondazione CMCC:

- will display only personal data. And in particular: name, surname, e-mail address.
- Will process the username used by the service user to do the login.
- The Data Controller partner for Data Protection is EGI.

### *(3) LEGAL BASIS FOR PROCESSING:*

The legal bases for processing is the PRIVACY POLICY of EGI for Collaboration tools for the EGI-ACE project and the EGI-ACE Grant Agreement n. 101017567 art. 39.

The information will be available only for the CMCC Employees authorized to manage Personal data of EGI-ACE.

*(4) STORAGE PERIOD:*

The personal data will display or processed during the lifetime of the ENES DATA SPACE. The processing is necessary for scientific research Project and for a 5-year period, counting from the end of the project as described in EGI Privacy Policy for Collaboration tools for the EGI-ACE.

*(5) SAFEGUARDS:*

Fondazione CMCC ensures that both physical and technical measures will be taken for the protection of the personal data which are going to be displayed or processed during the lifetime of ENES DATA SPACE. The safeguards are: the existence of an Ethics Board of CMCC, an internal code of Ethics and Conduct, and controlled password-protected access to personal computers and to databases containing personal data.

*(6) RIGHTS OF THE DATA SUBJECTS:*

Data subjects have the right described in the EGI Privacy Policy for Collaboration tools for the EGI-ACE.

*(7) LEGISLATION:*

Applicable legislation is the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC) and the Legislative Decree no.101 of 2018/08/10 which has incorporated the GDPR in the national legal framework (Legislative Decree no. 196 of 2003/06/30).
